

# NICOLA-CANFORD ELEMENTARY

October 2025 Raylene Update

Well we have made it through the month of October.

I would like to personally Thank Rona Sterling Collin and Angela for the Donation of a few Orange Shirts for September. Liz and I were able to give a few of these shirts to few students. They were designed for Wyatt. The students were so happy. We were also able to send a few shirts over to the Princeton Welcome Dinner. The Terry Fox Run and the whole school ran over to Smith Park. And Ms Fosbery K/1 Class ran in the Field.

This Month, we have been doing a lot of classroom connections. We have Paul Joe coming in on Wednesdays at Lunch to do Hand Drumming. So far, we have had 5 students attend the 1st drum club. I go to Volleyball games on Thursdays to support the Indigenous students as well as my own daughter. Halloween is on Friday this year. All the classes will have a costume parade in the Morning. Then there will be a Dance happening in the afternoon.

## October 2025 Elizabeth Update

Happy end of October! What a fun and busy month. I attended the Nicola-Canford Welcome Dinner as well went to Princeton to host a Welcome Dinner there with the other ISA's in the District. I had the opportunity to go the 3 Bar Farms field trip with the Division 5&6 classes, students had fun on the haybale tractor ride, picking pumpkins from the patch, taking pictures, and going through the corn maze.

We are very happy to have Skiellst (Paul) Joe back at our school on Wednesdays to do Hand Drumming during the lunch hour. Throughout the rest of the week we have started hosting Noon-Hour Activities in the Welcome Room, where we invite a class to come in and do either various crafts, beading, board games, and food preservation in our dehydrator. So far we have beaded bracelets, made yummy apple and pineapple chips in our dehydrator to snack on, and fun afternoon filled with different board games.
