

February ISA Newsletter

Good Day Family,

This month we celebrated Pink Shirt Day on February 25th. What does it mean to you? For me as an ISA, I reflect on how we treat each other. We teach, share, and pass on knowledge.

I have been busy keeping all the students who come to visit me in the Welcome Room. I have brought back Drumming on Wednesday's with Lani and Crystal and they also went into Division 6 Mrs. Fosbery's class to share some Drum songs after lunch this past Wednesday. They plan to go every other week to share songs.

I have been working with Tim Manuel to set up a Boy Group that will take place on Friday afternoons.

I invited Mrs. Nelson-Smith to come help bake some Blueberry Muffins and Banana Bread.

On February 26th I went with the Intermediate Classes to Harper Mountain for the annual Harper Mountain Ski Trip.

I am working on getting Hoop Dancing to start March 6th at lunch time and Taekwondo for a noon hour Activity.

Ms. Raylene
