

## March Newsletter- Raylene Humphrey and Veronica Decoine

Happy Spring.

I would like to Welcome our New ISA Veronica to Nicola Canford. I'm super excited to have her here. This month we have had activities in the Welcome Room from cooking to crafts. I have Hoop Dancing running Fridays at Noon hour. On Mondays so far, we have been dehydrating apples to make apple slices, and apple Sauce. Also, there is still Grade 7 Boys group with Tim Manual on Fridays. I have invited Lani to come in to Teach Medicine Bags. That student finished and brought it home. Also, Lani comes into drum for our noon hour group. We also go into the Mrs. Fosbery (K/1) class to sing songs bi-weekly. We had a great 2 weeks off and ready to plan some new activities for the students
