

Where has the time gone. May went by so fast. In our Welcome Room we have been busy keeping all students busy. We have been doing Crafts (Beading, dreamcatchers, paper squishy, movies with Snack). Wednesday is Drumming with Lani and Crystal with special guest Robert Narcisse. Ms. Veronica Made and shared Yeast Bannock. I also was able to invite Mrs. Nelson Smith in at noon hour to do some Traditional Games with the Primary. Ray joined the Division 1 Language Class Fieldtrip to Shackan Greenhouse. Ms. Veronica and I had the privilege of participating in the Culture and Language Camp for Grade 5-7. The Activity we decided to do was Fabric Spray paint white tee shirts. We also finished off our Year End Coyote Brotherhood Boys Group here at Nicola Canford with the Grade 7 Indigenous Boys lead by Tim. We have also been working to make sure all our Grade 7 finished making a Deer Rattle, as part of their Graduation present in completion of elementary.

Congratulations to all our Hard-working Student who participated in Track and Field, and Battle of the Books.
