Hello October,

Super excited that we made it through our second month! This month our students have been busy with the Cross-Country Run Sash Race at Bench Elementary.

We have Drumming Tuesday's and have invited Cheryl to Nicola Canford to show us some songs to dances to during our time.

Thursday's will be our day of Smudge. I like to talk to each student and check in.

Nicola Canford had a great turn out at our Welcome Dinner.

The students enjoy making dehydrated apples, where they work together at peeling and putting the slices on trays.

We have a few field trip plans coming up.

I have had a lot of students come in and want to learn how to bead and do some hand sewing of orange hearts and crocheting.

We also had to Opportunity to attend Pro-D Day in Nooaitch to learn about the Fasting Camp.
